	<p>when the following criteria are met:</p> <ul style="list-style-type: none"> ○ At least 3 days (72 hours) have passed since recovery (no fever without the use of fever-reducing medications); and ○ Respiratory symptoms (cough, shortness of breath, etc) have improved; and ○ Local county Department of Health releases student to return to school safely. <p>If a student exhibits symptoms that could be COVID-19 related and does not get evaluated by a medical professional or tested for COVID-19, administration is to work under the premise that the student has contracted COVID-19 and may not return to school until the three criteria listed above have been met.</p>
<p>Staff Protocols</p>	<p>Employees are to disinfect their own workspace multiple times throughout the day, giving special attention to commonly touched surfaces. Alcohol-based hand sanitizers and cleaning products are accessible throughout the workplace to disinfect frequently touched objects and surfaces such as telephones and keyboards. The site custodial team will clean all workspaces at their designated cleaning time.</p> <ul style="list-style-type: none"> ● Use hand sanitizer each time you are in/out of classroom bathrooms ● Wash hands before/after snacks, lunch (coordinate with bathroom breaks) ● Workspaces must be cleaned at the end of each use/day ● Employees are to practice staying the recommended distance from others and eliminate contact with others whenever possible ● Wash hands often with soap and water for at least 30 seconds. ● Use hand sanitizer with at least 70% alcohol if soap and water are not available ● Avoid touching eyes, nose, and mouth ● Cover mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow. ● All teachers are required to wear masks <p>Please note that proper equipment such as acceptable disinfectant and PPE will be used when cleaning individual workspaces.</p> <p>There will be limited access to certain workspaces to reduce exposure to risks and ensure employee safety. Workspace usage is as follows:</p> <ul style="list-style-type: none"> ● Office Capacity – Site will monitor the number of persons in the offices ● Breakrooms/Conference Rooms or Teacher Lounge/Multipurpose Room – Use of shared spaces is allowed if CDC guidelines can be followed. Cleaning guidelines should be followed for the use of shared appliances such as coffee machines, refrigerators, and

	<p>microwaves.</p> <ul style="list-style-type: none"> • Copy Room – There will be limited access to the copy room. Signage indicating restrictions will be posted as each phase is implemented. <p>Personal Items Food and any personal items are to be kept at assigned space. Bringing or sharing refreshments during meetings is prohibited in order to limit the risk of contamination. Snack items, candy, and drinks will not be provided until further notice.</p> <p>Travel Restrictions Archdiocesan schools will discontinue staff travel to conferences and workshops until further notice.</p>
Visitors and Deliveries	<p>Visitor Restrictions Only archdiocesan scheduled personnel are allowed on campus during preparation for reopening. Once school is back in session on campus, visitors will still be limited while COVID-19 risk persists as determined by county health agencies. Approved visitation by the principal will be conditional on the visitor passing the same screening process as staff.</p> <p>Protocols for visitors to campus will be established closer to the reopen date. Deliveries All non-essential deliveries, including food/forgotten lunches, personal items, are suspended until it is deemed safe.</p>

PREVENTATIVE TRAINING	
	100% in Building or Hybrid Model to reflect Social Distancing Requirements set by Governor and Phasing
Staff Training Plan	<p>All employees will receive a copy of the Return to School Plan by August 30, 2020 to use in preparation for return August 31. Updates will be provided throughout the summer.</p> <p>During In-Service week, staff will be trained in:</p> <ul style="list-style-type: none"> • Sanitation and hygiene instruction • Social distancing and health practices for self and student • Use and wearing of face covers • Use of flow charts • Beginning and end of day procedures • Restroom and recess procedures • Identifying Covid-19 related symptoms • Proper temperature screening <p>All employees will receive a copy of the Remote Learning Plan by August 30, 2020 to guide curriculum and instruction practices.</p>
Student Training Plan	<p>During the first week of school, students will receive instruction in:</p> <ul style="list-style-type: none"> • Social distancing during arrival, dismissal, in the classroom and on the playground • Use and storage of personal items

	<ul style="list-style-type: none"> • Following flow maps • Beginning and end of day procedures • Use and wearing of face coverings • Restroom and recess routines
Parent Training Plan	<p>Parents will be trained in identifying Covid-19 related symptoms and proper temperature screening.</p> <p>Parents will receive training in School Speak, Google Classroom and the Google for Education apps.</p>

SCHOOL SCHEDULE AND ROUTINES

Morning Drop-off Plan	<p>Morning Drop-Off Protocol: All entry doors will be open 10 minutes before the starting bell and will be closed no later than 5 minutes after the bell. HTCS will use all entrance doors for staggered entry/exit and grades will be assigned an entry/exit door. Students, once dropped off at designated entrance, will complete a health check, and then be directed to their next destination. Teachers will be at their doors to admit students. Students will enter and go directly to their assigned seat.</p> <p>Late arrivals must be accompanied by parents to the main entrance door. The parent will remain outside while the student is screened separately at front main entrance at office</p>
After-School Pick-up Plan	<p>The exit door will be opened by a staff member and parents will not be admitted prior into the school office. Parents will line up outside classrooms or designated school entrance(s) to pick up students one at a time. Parents will not enter the classroom. Students must remain with parents until they leave HT campus.</p>
Food Service Plan	<p>Lunch Food Service Protocol: Students will eat lunch at their assigned seat in their classrooms. The lunch program may be discontinued for a time period depending on how it is managed by the school. Contracted/School food service programs must prepare individually packaged lunches. No lunch delivery for individual students (i.e. doordash, postmates, etc). All food waste will be individually placed in a classroom-based trash receptacle to be disposed of en masse at the end of the lunch period</p>
Extended Care Plan	<p>Extended Care will be held with distanced and assigned student areas. Each student will have their own supplies, and the space has its own set of restrooms.</p> <p>Extended Care will be the only population to use the space during the course of the day. The facility will be cleaned before and after morning shift. Parents will pick-up and drop-off at the one entrance, and they will not be admitted into the space.</p>
Recess/Physical Education/Playground Plan	<p>Recesses and Physical education will be similarly structured, limiting free play to ensure distancing. Non-contact activities such</p>

	<p>as jump rope, calisthenics, etc. will be the standards. Teachers will clean doorknobs after each recess/PE. Students will recess in separate areas of the campus. Small groups of classes will be scheduled for recess breaks and assigned to a rotation of access areas for recess.</p>
<p>Assembly/Announcements Plan</p>	<p>HT will not assemble as a whole school. School assemblies will be held via livecast or pre-recorded and homeroom teachers will project events on the shared screen. Morning announcements and afternoon announcements will be done by one pre-scheduled student. Equipment will be cleaned immediately after.</p>

SECTION 2: ACADEMIC EXCELLENCE

CURRICULUM AND INSTRUCTION	
Attach completed Reflections on Distance Learning Worksheet	
Plan for Teacher Curriculum Development	<p>School will provide opportunities for teachers to participate in PD for Google Classroom and School Speak.</p> <p>Faculty will review the Department of Catholic Schools' Elementary Distance Learning Handbook for best practices.</p> <p>To ensure proper safety for our faculty, staff and students, we will have a medical professional provide PD during our inservice week to review protocols for maintaining a clean environment.</p> <p>HTCS will use the tools in the Professional Growth Guidelines Packet for the Archdiocese of Portland should be used as a tool for formal teacher observations and end of year evaluations by establishing what is observable in an online course and what correlates to components in the Danielson Framework for Teaching rubric.</p> <p>There is a need for digital supervision. HTCS Principal must be aware of what is occurring within the Distance Learning process for the school.</p>
Beginning of Year Assessment Plan	<p>All teachers will be delivering baseline activities, particularly for reading, math and writing. Activities will be coordinated with curriculum, resources and faculty/staff. Examples of activities include: beginning of the year assessments, reading inventory, running records and writing samples.</p>
Grading Expectations and/or Policies	<p>Students are required to complete all assignments to the best of their ability at all times. Students that need accommodations/modifications should be brought to the attention of the principal and Learning Support team. Teachers may accommodate students as they see fit. Any modifications to our academic program must be discussed with the LR team and Principal before implementation.</p> <p>Students are expected to participate in all courses whether in person or remote. Students will earn</p>

	<p>grades according to our Family Handbook.</p> <p>Teachers will:</p> <ul style="list-style-type: none"> - Use Google Classroom in K-8 - Post grades via School Speak every other week on mutually agree upon day - Provide consistent and weekly communication - Balance expediency and effectiveness of feedback - Ensure that formative assessments do not shoulder the load of determining student success, but should be part of the path towards understanding - Provide feedback that is constructive and the skills assessed need to be continuously reinforced - communicate missing work in a timely fashion considering our day-to-day classroom rosters might look very different - Provide gradebook assignment descriptions that are robust and detail not only an outline of what the assignment was but also how it was evaluated - Enter missing assignments (M) in the gradebook within 48 hrs of a due date to ensure notification is received by families - Will publish grades on a bi-weekly basis
<p>Asynchronous and Synchronous Teaching Expectations</p>	<p>Teachers must practice both asynchronous and synchronous models of teaching throughout the learning process. All synchronous lessons and learning opportunities should be archived for students unable to attend whenever possible. New concepts in formative learning particularly benefit from synchronous teaching opportunities while summative assessment favors asynchronous demonstration of student skills and knowledge. Collaborative opportunities must still exist for students even in a socially distant model. Asynchronous lessons must be created in a mindful manner so that students have access to all information and materials needed to succeed</p> <p>Recommended minimum daily guidelines (includes all synchronous and asynchronous work):</p> <p>K-1st Grade:</p> <ul style="list-style-type: none"> ● ELA 60 minutes ● Math 30 minutes ● Religion 30 minutes

	<ul style="list-style-type: none"> ● Science/Social Studies 30 minutes <p>2nd-4th Grade:</p> <ul style="list-style-type: none"> ● ELA 135 minutes ● Math 60 minutes ● Social Studies/Science 30 minutes ● Religion 30 minutes <p>5th-8th Grade:</p> <ul style="list-style-type: none"> ● ELA 135 minutes ● Math 60 minutes ● Social Studies 30 minutes ● Science 30 minutes ● Religion 30 minutes
<p>Plan to Mitigate Learning Loss</p>	<p>Teachers conducted end of year assessment in June to identify student knowledge levels. Classroom instruction will utilize whole group and small group instruction to provide a more individualized program. Teaching best practices and support from our Learning Resource team will help provide additional instruction to bridge any gaps from learning loss. Frequent communication with families regarding progress will help develop a school-home partnership to support student learning.</p> <p>HTCS purchased additional curriculum, class library books and social-emotional programming to support both academic and social learning loss in our return to school.</p>
<p>Systems of Support for Diverse Learners and/or English Language Learners</p>	<p>For diverse learners, teachers will provide varied assessment methods with elements of student choice and will clearly communicate goals and rubrics to students and families.</p> <p>All ILPs were reviewed at the end of the school year by the homeroom teacher, LR team and parents. ILPs will be reviewed and edited/revised as needed for the 2020-2021 school year. Our Learning Resource team of three faculty are in close contact with teachers, parents and Principal to support these students.</p>
<p>Plan for Students Unable to Attend School</p>	<p>The full school day will be live streamed via Zoom or YouTube Live. The day will begin at 8:15am and conclude at 3:05pm. Teachers will close the live stream for recess, lunch, transition periods, extended work times and for any privacy needs. The live stream will be recorded and posted in Google Classroom at the end of the day. HTCS is encouraging all students to attend literacy and math classes live. Other classes can be attended live or watched later via the recorded option.</p>

	<p>Teachers in K-8 will use Google Classroom to track assignments, resources, student participation and completion and assessments. Students can access this on any device to participate in and complete their school work. Zoom breakout rooms will still be used for student collaboration to allow for social distancing as well as participation of students at home.</p>
Professional Development Plan for Teachers	<p>August 31-September 4 In-Service week will address:</p> <ul style="list-style-type: none"> - Covid-19 policies and procedures - Proper hygiene and cleaning procedures - Faith Formation (Liturgical Prayer) - Creating community in Google Classroom - Universal Design for Learning curriculum planning - Friendly, social-emotional learning curriculum
Plan for Specialists Classes (i.e. Art, Music, Language, etc.)	<p>Specialists will teach via live streaming Zoom to limit exposure in PK-8 classrooms, to students and other staff. Spanish, PE and Music teachers will work with classroom teachers to determine developmentally appropriate and content appropriate curriculum for comprehensive distance learning. Assigned work and assessments will have longer due dates to support students in managing all academic coursework over periods of days versus 24 hours.</p>

MENTAL HEALTH AND SOCIAL EMOTIONAL LEARNING

Plan to Support SEL at the Start of the School Year	<p>K-8 teachers have complete Second Step curriculum and materials. They will implement and cover many of these topics during the first 8-10 weeks of school.</p> <p>HTCS has purchased the SEL program, Friendly, to supplement and enhance our current offering. K-8 teachers will use these systems weekly to offer social and emotional support to all students through discussion, art, readings, puzzles, class meetings, etc.</p> <p>HTCS has a part time school counselor that supports students, teachers and parents as needed.</p>
Family Support and Training Plan	Frequent communication will be key in supporting

	families. Homeroom teachers and Learning Support staff will ensure that each student gets a check in every week while at home. Need for extra support (academic, social, emotional or behavioral) will be discussed with school counselor, teachers, and administrator.
Plan for Identifying and Supporting SEL Mental Health Concerns	Homeroom teachers will facilitate and compile feedback from parents on our students' academic progress and social-emotional well being. This feedback, along with staff feedback, will help us identify student concerns. HTCS staff will discuss any concerns in monthly staff meetings and grade band meetings.

TECHNOLOGY	
	Hybrid Model or 100% Distance Learning
Learning Management System or Platform used at each grade level	<p>Holy Trinity Catholic School will utilize three platforms:</p> <p>1- Google Classroom for K-8 instruction and assessment; Google Classrooms will be designed for student engagement, clarity and ease of use. Parents will receive a weekly (or daily if preferred) email from Google Classroom about current class status- assignments turning in, missing, grades and upcoming work load.</p> <p>2- School Speak for PK-8; School Speak is our student information system that contains all grading, attendance, newsletters and updates. 5-8 students have their own log ins. Parents have log ins and can check 24/7.</p> <p>3- SeeSaw; teachers will use it as it enhances their program for videos, engagement and fun.</p>
Acceptable Use/Safety Policies	HTCS has an acceptable use policy in our Student and Family Handbook.
Technology Purchase Plan and Related Costs	<ul style="list-style-type: none"> ● New iPads, 15 count, (\$10,000) ● New Apple TV, 4 count, (\$500) ● Comcast contract to bring in upgraded internet services (\$20,000) ● GoGuardian Teacher and Admin to monitor student technology use and provide extensive filtering (\$3000) ● Zoom school wide subscription (\$1,800)

SECTION 3: MISSION AND CATHOLIC IDENTITY

MISSION AND CATHOLIC IDENTITY	
	Hybrid Model or 100% Distance Learning
Schoolwide Eucharistic Celebrations	<p>School Mass will be held weekly. Once class will be invited to host and attend Mass. Mass will be live streamed for all students at home or in child care.</p> <p>Morning prayer will be done over the PA system and live streamed to start every academic day.</p>
Faith Life Activities	<p>Holy Trinity Catholic School will coordinate with Holy Trinity Catholic Church parish staff to identify activities that support the faith life of families. HTCS Principal will work with Director of Religious life to identify partnerships and opportunities.</p>
Service Learning Plan	<p>HTCS will use the pandemic as the guide for our service plan. Students will focus on the emotional health of others and help keep the community clean and healthy. HTCS teachers will work with the parish to develop student programs to help people/elderly that are alone and not leaving home (classroom Zoom calls, food deliveries, cards, etc). HTCS will continue Free Dress for Food on the first Friday of every month to continue to support our food closet's support of Beaverton families.</p>
Visibility Plan for Pastor	<p>Father Dave Gutmann and Father Hans Mueller are consistently and happily involved in the life of the school and with the students. During distance learning, our pastors will live stream Mass weekly and encourage families to attend in person Mass as allowed by county guidelines on the weekends.</p> <p>Teachers will work with our pastors to identify curriculum and times that pastors can engage with our students via Zoom (liturgical year lessons, prayer groups, etc.).</p>
Visibility Plan for Principal	<p>HTCS Principal will be outside each morning for arrival and each afternoon for dismissal to greet and support students and parents. Mrs. Sheridan frequently visits classrooms and will visit Zooms and live streams weekly. She will attend weekly Mass with the class that is</p>

hosting and be an integral part of any live school wide opportunities (virtual assemblies, class meetings, PTO meetings, etc.)

Mrs. Sheridan will continue to publish the weekly newsletter, the Monday Minute.
