VC Music School offers a summer music camp with rotational segments on piano, recorder, violin and voice. We teach basic music fundamentals, such as rhythm, note reading, terminology, movement and ear training. We focus on having fun with friends who like music as much as we do. No previous experience is necessary. However, if your child does have musical experience, we will work to enhance what they already know. Our teachers are positive, encouraging and warm, allowing each student to learn individually and in a group setting. Summer Music Camp is open to all! We look forward to seeing you and your friends in June!
